

XpresSpa Group Announces Participation in Water Tower Research Fireside Chat Series

03/07/22

NEW YORK, March 07, 2022 (GLOBE NEWSWIRE) -- XpresSpa Group, Inc. (Nasdaq: XSPA) ("XpresSpa" or the "Company"), a health and wellness company, today announced that CEO Scott Milford will participate in the Water Tower Research Fireside Chat Series on Wednesday, March 9, 2022, at 1:00 pm ET. The focus of the conversation will be Treat™.

- Treat is a one-stop travel, health and wellness solution transforming the way we access care through a suite of integrated services for people on the go.
- Treat's on-site centers (currently located in JFK International Airport and opening soon in Phoenix Sky Harbor International Airport and Salt Lake City Airport) provide access to health and wellness services for travelers. Our technicians provide travel related diagnostic testing for virus, cold, flu and other illnesses as well as IV drip and hydration infusion therapy. Travelers can purchase interactive wellness services like self-guided yoga, meditation and low impact weight exercises --all in a relaxing environment where they can unplug from the hectic pace of the airport and renew themselves before or after their trip.
- Treat offers a website and mobile app to complement the offering with relevant health and wellness content designed to help people on the go with information that could impact their travel. The platform provides travelers access to a comprehensive online marketplace of services including global illness tracker tools such as the Covid-19 Requirements Map, on-demand chat care by a licensed provider, a health wallet to store personal and family health records, and a scheduler to arrange for direct care at one of our on-site locations.
- Treat's on-site and e-commerce platform serves travelers with unique products you will not find everywhere--all designed to enhance your journey and improve your well-being.

If you are an institutional or retail investor and would like to listen to the Company's fireside chat, please click [here](#) to register for the event.
