

Vringo Announces Availability of Third Quarter 2011 Earnings Call Transcript

November 23, 2011

Management Team Discusses Vringo's Financial Performance and Growth Initiatives of Facetones(TM) and Other Social Mobile Applications

NEW YORK, Nov. 23, 2011 /PRNewswire/ -- Vringo, Inc. (NYSE Amex: VRNG), a provider of software platforms for mobile social and video applications, today announced the availability of the transcript for its third quarter 2011 earnings conference call, held on November 14, 2011.

During the conference call, Jon Medved, Vringo's CEO stated, "Let me say that we're pleased with our results for the third quarter of 2011 as we believe we've really set the stage for Vringo's future growth. We began to monetize our mobile social software platforms with partners around the world. Our subscriber base has grown substantially. We've developed and are launching additional software platforms, and as we surpass the 400,000 download mark for our Facetones™ application we remain committed to becoming the new leader in the fast growing mobile social arena."

Vringo's management team discussed the company's services in markets around the world, its recent agreement with ZTE Corporation to preload Facetones™ on Android devices and Vringo's financial results for the third quarter.

Interested parties are encouraged to read the full transcript of the conference call, which is available at:

About Vringo

Vringo (NYSE Amex: VRNG) is a provider of software platforms for mobile social and mobile video services. With its award-winning video ringtone application and other mobile software platforms - including Facetones™, Video Remix and Fan Loyalty Vringo transforms the basic act of making and receiving mobile phone calls into a highly visual, social experience. Vringo's video ringtone service enables users to create or take video, images and slideshows from virtually anywhere and turn it into their visual call signature. In a first for the mobile industry, Vringo has introduced its patented VringForward technology, which allows users to share video clips with friends with a simple call. Vringo's Facetones™ product creates an automated video slideshow using friends' photos from social media web sites, which is played each time a user makes or receives a mobile call. Vringo's Video ReMix application, in partnership with music artists and brands, allows users to create their own music video by tapping on a Smartphone or tablet. Lastly, Fan Loyalty is a platform that lets users interact, vote and communicate with contestants in reality TV series that it partners with, as well as downloading and setting clips from such shows as video ringtones. Vringo's video ringtone application has been heralded by The New York Times as "the next big thing in ringtones" and USA Today said it has "to be seen to be believed."
