

VRINGO ANNOUNCES PARTICIPATION IN 21ST ANNUAL FORDHAM INTELLECTUAL PROPERTY LAW AND POLICY CONFERENCE

04/02/13

NEW YORK - April 2, 2013 - Vringo, Inc. (NYSE MKT: VRNG), a company engaged in the innovation, development and monetization of mobile technologies and intellectual property, today announced that David L. Cohen, Esq., Head of Litigation, Licensing and Intellectual Property at Vringo, will participate in the 21st Annual Intellectual Property Law and Policy Conference on April 4th and 5th at Fordham Law School in New York City.

Mr. Cohen will participate in a panel titled, "Developing Case Law on Principles for the Determination of FRAND Royalties." The panel discussion will begin at 11:00 a.m. EDT on Friday, April 5th. Panelists will discuss developing case law in injunctive relief, anti-suit injunctions and court determinations of FRAND royalties related to smartphones. Representatives from the European Telecommunications Standards Institute (ETSI), Verizon and Nokia will join Mr. Cohen on the panel.

About Vringo, Inc.

Vringo, Inc. is engaged in the innovation, development and monetization of mobile technologies and intellectual property. Vringo's intellectual property portfolio consists of over 500 patents and patent applications covering telecom infrastructure, internet search, and mobile technologies. The patents and patent applications have been developed internally, and acquired from third parties.

Vringo operates a global platform for the distribution of mobile social applications and services. For more information, visit: www.vringoIP.com.

Forward-Looking Statements

This press release includes forward-looking statements, which may be identified by words such as "believes," "expects," "anticipates," "estimates," "projects," "intends," "should," "seeks," "future," "continue," or the negative of such terms, or other comparable terminology. Forward-looking statements are statements that are not historical facts. Such forward-looking statements are subject to risks and uncertainties, which could cause actual results to differ materially from the forward-looking statements contained herein. Factors that could cause actual results to differ materially include, but are not limited to: our inability to license and monetize our patents, including the outcome of the litigation against online search firms and other companies; our inability to monetize and recoup our investment with respect to patent assets that we acquire; our inability to develop and introduce new products and/or develop new intellectual property; new legislation, regulations or court rulings related to enforcing patents, that could harm our business and operating results; the inability to realize the potential value created by the merger with Innovate/Protect for our stockholders; unexpected trends in the mobile phone and telecom infrastructure industries; our inability to raise additional capital to fund our combined operations and business plan; our inability to maintain the listing of our securities on a major securities exchange; the potential lack of market acceptance of our products; potential competition from other providers and products; our inability to retain key members of our management team; and other risks and uncertainties and other factors discussed from time to time in our filings with the Securities and Exchange Commission ("SEC"), including our annual report on Form 10-K filed with the SEC on March 21, 2013. Vringo expressly disclaims any obligation to publicly update any forward-looking statements contained herein, whether as a result of new information, future events or otherwise, except as required by law.
