

## VRINGO FILES LAWSUIT AGAINST ZTE IN AUSTRALIA

June 12, 2013

NEW YORK - June 12, 2013 - Vringo, Inc. (NASDAQ: VRNG), a company engaged in the innovation, development and monetization of mobile technologies and intellectual property, today announced that its wholly-owned subsidiary, Vringo Infrastructure, Inc. (Vringo), filed a patent infringement lawsuit against ZTE (Australia) Pty Ltd. (ZTE Australia), an Australian subsidiary of ZTE Corporation (ZTE).

The lawsuit filed in the Federal Court of Australia in the New South Wales registry, alleges infringement by ZTE Australia of Australian Standard Patents AU 2005/212,893 and AU 773,182. The proceeding has been assigned Case No. NSD1010/2013.

The patents in suit relate to telecommunications infrastructure equipment and mobile devices. The ZTE products in suit include base station and server infrastructure used in mobile networks and also a number of 4G mobile devices.

According to the complaint, Vringo is seeking a declaration that ZTE Australia has infringed Vringo's patents and orders restraining ZTE Australia from:

1. selling, disposing, using, importing or keeping for sale; or
2. offering to sell, dispose of, import or use, or keep for sale or other disposal or use, relevant products without the license or authority of Vringo.

In addition, Vringo is seeking damages or an account of profits and interest accrued on any sum found due.

### **About Vringo, Inc.**

Vringo, Inc. is engaged in the innovation, development and monetization of mobile technologies and intellectual property. Vringo's intellectual property portfolio consists of over 500 patents and patent applications covering telecom infrastructure, internet search, and mobile technologies. The patents and patent applications have been developed internally, and acquired from third parties. Vringo operates a global platform for the distribution of mobile social applications and services. ### **Forward-Looking Statements**

This press release includes forward-looking statements, which may be identified by words such as "believes," "expects," "anticipates," "estimates," "projects," "intends," "should," "seeks," "future," "continue," or the negative of such terms, or other comparable terminology. Forward-looking statements are statements that are not historical facts. Such forward-looking statements are subject to risks and uncertainties, which could cause actual results to differ materially from the forward-looking statements contained herein. Factors that could cause actual results to differ materially include, but are not limited to: our inability to license and monetize our patents, including the outcome of the litigation against online search firms and other companies; our inability to monetize and recoup our investment with respect to patent assets that we acquire; our inability to develop and introduce new products and/or develop new intellectual property; new legislation, regulations or court rulings related to enforcing patents, that could harm our business and operating results; the inability to realize the potential value created by the merger with Innovate/Protect for our stockholders; unexpected trends in the mobile phone and telecom infrastructure industries; our inability to raise additional capital to fund our combined operations and business plan; our inability to maintain the listing of our securities on NASDAQ; the potential lack of market acceptance of our products; potential competition from other providers and products; our inability to retain key members of our management team; and other risks and uncertainties and other factors discussed from time to time in our filings with the Securities and Exchange Commission ("SEC"), including our annual report on Form 10-K for the year ended December 31, 2012 filed with the SEC on March 21, 2013. Vringo expressly disclaims any obligation to publicly update any forward-looking statements contained herein, whether as a result of new information, future events or otherwise, except as required by law.
