

CHINESE PATENT RE-EXAMINATION BOARD UPHOLDS VALIDITY OF VRINGO PATENT

05/30/14

NEW YORK - May 30, 2014 - Vringo, Inc. (NASDAQ: VRNG), a company engaged in the innovation, development and monetization of intellectual property and mobile technologies, today announced that the Patent Re-Examination Board of the State Intellectual Property Office of the People's Republic of China has upheld the validity of Chinese Patent ZL00806049.5, owned by Vringo's wholly-owned subsidiary Vringo Infrastructure, Inc. The patent, which is the Chinese equivalent of European Patent 1,166,589, was placed into re-examination by ZTE Corporation on November 6, 2012.

To date, ZTE Corporation has placed seven Vringo patents into re-examination in China. As of today, the Patent Re-Examination Board has upheld the validity of two of these patents. Decisions on the validity of the other five patents remain pending before the Board.

ZTE retains the right to file an appeal against today's decision with the Beijing First Intermediate People's Court before August 30, 2014.

About Vringo, Inc.

Vringo, Inc. is engaged in the development and monetization of intellectual property worldwide. The Company's intellectual property portfolio consists of over 600 patents and patent applications covering telecom infrastructure, internet search and mobile technologies. Forward-Looking Statements

This press release includes forward-looking statements, which may be identified by words such as "believes," "expects," "anticipates," "estimates," "projects," "intends," "should," "seeks," "future," "continue," or the negative of such terms, or other comparable terminology. Forward-looking statements are statements that are not historical facts. Such forward-looking statements are subject to risks and uncertainties, which could cause actual results to differ materially from the forward-looking statements contained herein. Factors that could cause actual results to differ materially include, but are not limited to: our inability to license and monetize our patents, including the outcome of the litigation against online search firms and other companies; our inability to monetize and recoup our investment with respect to patent assets that we acquire; our inability to develop and introduce new products and/or develop new intellectual property; new legislation, regulations or court rulings related to enforcing patents, that could harm our business and operating results; unexpected trends in the mobile phone and telecom infrastructure industries; our inability to raise additional capital to fund our combined operations and business plan; our inability to maintain the listing of our securities on a major securities exchange; the potential lack of market acceptance of our products; potential competition from other providers and products; our inability to retain key members of our management team; the future success of Infomedia and our ability to receive value from its stock; and other risks and uncertainties and other factors discussed from time to time in our filings with the Securities and Exchange Commission ("SEC"), including our annual report on Form 10-K filed with the SEC on March 10, 2014. Vringo expressly disclaims any obligation to publicly update any forward-looking statements contained herein, whether as a result of new information, future events or otherwise, except as required by law.
