Forward-Looking Statements

This press release includes forward-looking statements, which may be identified by words such as "believes," "expects," "anticipates," "estimates," "projects," "intends," "should," "seeks," "future," "continue," or the negative of such terms, or other comparable terminology. Forward-looking statements are statements that are not historical facts. Such forward-looking statements are subject to risks and uncertainties, which could cause actual results to differ materially from the forward-looking statements contained herein. Statements in this press release regarding the acquisition of Excalibur Integrated Systems; the potential of FORM's business after the acquisition; the ability to raise capital to fund operations and business plan; market acceptance of FORM products; the collective ability to protect intellectual property rights; competition from other providers and products; and any other statements about FORM's management team's future expectations, beliefs, goals, plans or prospects constitute forward-looking statements

within the meaning of the Private Securities Litigation Reform Act of 1995. There are a number of important factors that could cause actual results or events to differ materially from those indicated by such forward-looking statements, including, but not limited to: the inability to realize the potential value created by the acquisition for FORM's stockholders; FORM's inability to maintain the listing of its securities on the Nasdaq Capital Market; the potential lack of market acceptance of FORM's products; FORM's inability to monetize and recoup FORM's investment with respect to assets and other businesses that were acquired or will be acquired in the future; general economic conditions and level of information technology and consumer electronics spending; unexpected trends in the mobile phone and telecom computing industries; the potential loss of one or more of FORM's significant Original Equipment Manufacturer ("OEM") suppliers; market acceptance, quality, pricing, availability and useful life of FORM's products and services, as well as the mix of FORM's products and services sold; potential competition from other providers and products; FORM's inability to license and monetize FORM's patents, including the outcome of litigation; FORM's inability to develop and introduce new products and/or develop new intellectual property; FORM's inability to protect FORM's intellectual property rights; new legislation, regulations or court rulings related to enforcing patents, that could harm FORM's business and operating results; FORM's inability to retain key members of its management team; and other risks and uncertainties and other factors discussed from time to time in our filings with the Securities and Exchange Commission ("SEC"), including FORM's Annual Report on Form 10-K for the year ended December 31, 2015 filed with the SEC on March 10, 2016. FORM expressly disclaims any obligation to publicly update any forward-looking statements contained herein, whether as a result of new information, future events or otherwise, except as required by law.
