"This collaboration is a natural evolution that will provide an opportunity for XpresSpa to grow its brand in and out of airport locations and reinforce our mandate to bring XpresSpa customers the best possible experience, as well as travel and spa-related products throughout airports around the world."

"XpresSpa is an industry leader revolutionizing the way people travel," said George Altirs, President of Capelli. "We are thrilled to further extend the distribution of the brand and elevate the concept of traveling in style."
