

## XpresSpa Wins RFP to Open Multiple Spas in Austin-Bergstrom International Airport

12/18/17

NEW YORK, Dec. 18, 2017 (GLOBE NEWSWIRE) -- XpresSpa, the industry-leading luxury airport spa company and a wholly owned subsidiary of FORM Holdings Corp. (Nasdaq:FH), announced that it has won the RFP for two locations at Austin-Bergstrom International Airport, the only spa locations in the airport. XpresSpa won the RFP over three competitors, placing not only first overall, but first in every single category by which the RFP was judged—customer experience, management, concept design and financial proposal.

Austin-Bergstrom International Airport is known for uniquely capturing Austin's spirit and vibrant culture. The airport serves the city of Austin, Texas—one of the country's fastest-growing cities, and one of the most popular vacation destinations in the nation. The results of this growth are visible in the airport's passenger traffic volumes, which are projected to achieve a record for the sixth straight year. In the past several years, Austin-Bergstrom has inaugurated nonstop transatlantic service to London and Frankfurt, in addition to the 61 North American destinations served nonstop from Austin.

"We are ecstatic to announce that XpresSpa has won the Austin RFP. Our team is working tirelessly to expand the XpresSpa brand into new markets across the country and around the world, and we could not be more excited to bring XpresSpa to the dynamic city of Austin and its vibrant and energetic community," said Ed Jankowski, CEO of XpresSpa.
