**FOR IMMEDIATE RELEASE****Vringo to launch Video Ringtone Platform for Orange (UK) Subscribers**

*Partnership with UK-Based Carrier Marks First European Launch  
 with Major Carrier for Video Ringtone Platform*

**August 25, 2010 – NEW YORK** – Vringo, Inc., (NYSE Amex: VRNG) a provider of video ringtones and personalization solutions for mobile devices, today announced a major carrier partnership with Everything Everywhere Limited, the UK’s largest mobile communications company. Everything Everywhere Limited is a company jointly owned by France Telecom and Deutsche Telecom that operates both Orange (UK) and T-Mobile (UK) mobile brands. Through this exciting new partnership, Vringo’s video ringtone service will be made available to a combined customer base of over 30 million customers. The initial Vringo launch will be for Orange UK customers only.

“Our upcoming launch with Orange UK represents an important milestone for Vringo,” said Jon Medved, Vringo’s Chief Executive Officer. “We are excited to work with Everything Everywhere Limited, Britain’s leading communication company and look forward to operating in the UK which is one of the most dynamic mobile markets in the world.”

Vringo and Everything Everywhere Limited will initially deliver a video ringtone experience directly through the Orange brand. The service will consist of a Web, WAP and mobile app experience that enable customers to receive the best video ringtones available and share them with their friends.

“This commercial agreement with Vringo provides us with an easy-to-integrate, fun and exciting way to engage our customers and further differentiate our cutting-edge services,” said Deborah Tonroe, Head of Entertainment and Information of Orange UK.

The new Vringo service for Orange UK customers will offer all of the Vringo platform’s service capabilities with full access to Vringo’s extensive content library of over 5,000 video ringtone clips. The new service will be rolled out in the fourth quarter.

Vringo’s fully hosted carrier platform has now been deployed for international mobile partners in five markets. Vringo’s scalable cloud based distributed application architecture enables the carrier’s subscribers to browse and download mobile videos, set them as video ringtones, and instantly share them with friends. In addition to carrier partners, Vringo has content partnerships with major content providers including T-Pain, Turner, Marvel, Discovery Mobile, Ingrooves and Agence France-Presse.
